THE SKIN PLUMPER COLLAGEN

Named from the Greek word “kóllo,” which means glue, it’s skin’s strength-building protein. As we age, it breaks down so sagging and wrinkles appear. But we can stimulate its production with formulas containing peptides, exfoliators and amino acids to visibly firm and smooth skin.

Contains ingredients that increase the amount of collagen by 65% in just 48 hours*.

*Based on a collagen production study in cell culture.
